## 1) H.E.A.R Method

### H- Highlight

After reading the passage of Scripture, highlight each verse that speaks to you.

### E- Explain

Explain what the text means by asking some simple questions:

- How does it fit with the verses before and after it?
- What is the main idea?

### A- Apply

How does what you've read apply to your life by asking some simple questions:

- What does this mean now?
- What does this mean to me?

### R- Respond

You may respond by writing out a prayer to God. Whatever it is, keep in mind that this is your response to what you have just read.

## 2) Journal Overview

As you read the passage each day, take notes in a journal to help you meditate and apply God's Word. Take time to read the whole passage and mark verses or sections that stand out. After you finish reading, try to answer these two questions in your journal:

### 1. What's the Main Idea?

Read the passage as many times as necessary, and look for repeated words, commands, contrasts, promises, or themes. Write it in your journal and share why this truth matters for you right now—keep it simple, personal, and in your own words.

### 2. How do I Respond?

Take the time to name what this passage calls for (repentance, trust, praise, forgive, gratitude, etc.) close with a short prayer asking God to make the step real in your life.
