

Why Atlanta?

As a church, we want to be people who are actively fulfilling the mission that God has given us. In Acts 1:8, we see that there is a call for followers of Jesus to go and make disciples in all nations. One way that we can do that is coming alongside church plants in the work that they are doing in proclaiming the Gospel to those who do not know Christ. Atlanta is an international hub for people from all nations. By intentionally partnering with a church that can reach people from all nations, we are investing in the impact that those who come to Christ can have all around the world. We deeply believe in the work that Image church is doing and we want to come alongside that.

What will my student be doing on this trip?

While in Atlanta, your student will be partnering with one of our church plants, Image Church. The mission of Image Church is to reach those in and around Atlanta, Georgia with the hope of the Gospel. The team's main goal this week will be to come alongside this church plant and help them continue the work they are doing in Atlanta. While this team is in Atlanta, we will be helping them host an Adventure Week at their campus. The majority of kids that attend are non-believers, so this is an awesome opportunity to impact generations with the Gospel. The team will also be helping serve the community through partnerships that Image Church partners with.

Who will be leading this trip?

Two of our student pastors will be leading this trip, Aaron Stienel, Hendersonville student pastor, and Drew Jones, Franklin student pastor.
