

What's Your Story?

As part of your first David's Men meeting, you'll each take the time to share your testimony. We share our stories because God shapes us through story. Every part of our story is important: our brokenness, our salvation in Jesus, and the ways He is changing us now. Writing your story down is a great way to clarify it and prepare to share it with others.

Fill out the three columns below to put your story into writing before sharing it with your group. Keep it simple, specific, personal, and real.

"And they have conquered him by the blood of the Lamb and by the word of their testimony..." -Romans 12:11a
