Vision:

Join us as we serve alongside churches on the field in Middlesbrough, England as we evangelize, serve in compassion ministry, and witness in schools. Evangelism in a postmodern context will involve a heavy emphasis on apologetics in an effort to reach a nation where Jesus is viewed as only a historical figure.

We believe that one day people from every tribe, tongue, and nation will worship God around His throne. England is considered a postmodern society, meaning that the majority of people will never step inside of a Christian church and will never hear the true Gospel. As we minister among this community, our prayer is that the gospel would be made known among this people group and spread throughout this city to multiply and strengthen local disciple-making movements.

What's Expected:

As a team member joining the church plant in Middlesbrough, you will be an extension of their presence in the community. You will be helping them establish relationships and have Gospel conversations with families and children of the surrounding communities. Other expectations include:

- **Honoring** - The way you interact with people that are not like you will directly impact their view of Jesus. You must be mindful of the things you say, the way you interact and the way you show honor, in order to not create any barriers of the Gospel being heard.
- **Maintain flexibility** - Scheduled activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.

- **Care** - Serving on a short-term mission trip is a great way to serve and care for our long-term missionaries. Offering to cook a meal, watching their children so they can go out, cleaning, game nights, etc., are all great ways to care for our missionaries on the field.
- **Show Up** - Be present for all pre-trip and post-trip meetings as well as all in-country activities. We want you to make the most of your time as you engage the nations with the hope of the gospel.
