Vision:

Join us as we serve alongside missionaries in Honduras to share the gospel, disciple youth, and strengthen local churches through village outreach. On this trip, we will partner with *Commissioned International*, a ministry aligned with our heart for evangelism and discipleship. Your team will host a youth camp for 100 teens from churches, engage in door-to-door evangelism in nearby villages by distributing food, share the gospel, and lead VBS-style activities for kids. Whether focusing on student ministry or village outreach, your team will help advance the Gospel in meaningful ways.

We believe that one day, people from every tribe, tongue, and nation will worship God around His throne. Honduras is home to over 10 million people, many of whom live in remote areas. While Catholicism has been the dominant religion for generations, the number of evangelical believers has been steadily growing. This momentum is encouraging, but many still lack a clear understanding of the gospel and a personal relationship with Jesus. Through this trip, you'll help local churches build on that growth and encourage a deeper, genuine pursuit of Christ. Let's shift the spiritual landscape of Honduras—for the glory of God.

What's Expected:

As a team member joining missionaries in Honduras, you will be an extension of their presence in the community. You will be helping them establish relationships and have Gospel conversations with families and children of the surrounding communities. Other expectations include:

- **Honoring** - The way you interact with people that are not like you will directly impact their view of Jesus. You must be mindful of the things you say, the way you interact and the way you show honor, in order to not create any barriers of the Gospel being heard.
- **Maintain flexibility** - Scheduled activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.
- **Care** - Serving on a short-term mission trip is a great way to serve and care for our long-term missionaries. Offering to cook a meal, watching their children so they can go out, cleaning, game nights, etc., are all great ways to care for our missionaries on the field.
- **Show Up** - Be present for all pre-trip and post-trip meetings as well as all in-country activities. We want you to make the most of your time as you engage the nations with the hope of the gospel.
