### Trip Info

#### Vision:

Join us as we partner with Hungarian Baptist Aide, and a local pastor who has planted a church in the city of Berehove, Ukraine. For the past few years, we have been presented with a unique opportunity to host a kids/family camp for children in Ukraine before they start the school year in the fall. As short-term teams join in, they will help primarily with facilitating a VBS style camp for kids and families.

This region in Ukraine is now home to thousands of internally displaced Ukrainians. Many have lived in temporary housing for well over a year now. All of this work is in an effort to help love on this community specifically by caring for families who are experiencing trauma from fleeing the war and being displaced.

\*\* To date, there has been no fighting in this area of Ukraine and has been a relatively safe place for teams to serve the Ukrainian people. Send Relief has been able to secure limited emergency evacuation insurance for volunteers serving in the area.

#### What to Expect:

As a team member joining Send Relief and Hungarian Baptist Aid, you'll be participating in bible story telling as well as working with kids and parents. .  
Expectations include:

- **Kids Ministry** - the primary way you'll serve this community is through construction work. We recommend having a background in construction when considering this trip.

- **Maintain Flexibility** - Scheduled ministry activities are subject to change due to various factors so maintaining a spirit of flexibility allows you to be open to any changes God may have for your team.
- **Evangelism Outreach** - while construction will be the primary way this community is served, you'll have the opportunity to share the Gospel with locals who are open and eager to have spiritual conversations.
- **Care** - serving on a short-term mission trip is a great way to serve and care for the missionaries, pastors, ministry leaders, and locals you encounter..
